

# VI Teacher and Leader Effectiveness

## Teacher Portfolio Planning Form

The Teacher Portfolio is a required measurement of a teacher's annual evaluation. The Teacher Portfolio focuses on *The Framework for Teaching* by Charlotte Danielson. Domain 1: Planning and Preparation and Domain 4: Professional Responsibilities represent teacher practices in VI Teacher Effectiveness Standards 7: *Planning for Instruction*, 9: *Professional Learning and Ethical Practice*, and 10: *Leadership and Collaboration*. Artifacts included in the Teacher Portfolio demonstrate teacher practices related to four of the Components in Domains 1 and 4.

### Instructions

Component 1: 4E, is already selected because it represents the Teacher Professional Growth Plan (TPGP). Select three additional components from Domain 1 and/or Domain 4 that will be represented by the artifacts to be collected and stored in BriteLocker for the Teacher Portfolio.

#### 1. Component 4E:

All teachers will complete a Teacher Professional Growth Plan (TPGP) as the artifact for this required component. More specific information to create and implement the TPGP can be found in the Teacher Portfolio Guidebook at <http://tle.vide.vi>.

#### 2. School Wide Component:

The School Wide Component is selected by the school leadership team, in collaboration with the school staff, and is related to an area of focus in the School Improvement Plan. The School Wide Component will be the same for all teachers in the school building, but the artifacts for each teacher will be different.

#### 3. First Choice Component:

Select a component from Domains 1 or 4 of the Framework for Teaching for artifact collection.

#### 4. First Choice Component:

Select a component from Domains 1 or 4 of the Framework for Teaching for artifact collection.
