### **ST. CROIX CENTRAL HIGH TO REMAIN CLOSED THROUGH SEPTEMBER 7**

ST. CROIX, USVI - The St. Croix District Office of the Insular Superintendent regrets to inform the public that St. Croix Central High School will remain closed on Friday, September 7. Classes were dismissed early on September 6 as a result of a power outage caused by a small electrical fire in the kitchen.

The cafeteria and major classroom wings were affected and remain without electricity. The electrical component required for repairs is expected to arrive on-island over the weekend and installed.

The Department of Education will provide an update on the status of the school on Sunday, September 9. Parents and students are asked to visit the Department's Facebook page and check local media for updates.
