The Department wishes to remind employees who are sick to remain at home. If an employee has undergone COVID-19 testing, he or she should remain quarantined until negative COVID-19 test results are received. If an employee tests positive for COVID-19, he or she should seek further guidance from the V.I. Department of Health or a healthcare provider. To knowingly expose others to COVID-19 is punishable by fines and imprisonment.

The COVID-19 vaccine is available to all USVI residents age 12 and up. Visit www.covid19usvi.com/vaccines for more information and to schedule an appointment to receive the free COVID-19 vaccine.
