Joseph Gomez Elementary School Resumes In-Person Learning Sept. 20

ST. THOMAS, USVI – The Joseph Gomez Elementary School will resume in-person learning for students in grades K-3rd on Sept. 20, following a two-day closure of the campus last week due to COVID-19 exposure on the campus. Students and staff who attend school in-person underwent COVID-19 testing by the V.I. Department of Health (VIDOH) on Sept. 16.

School and district leaders inform in-person K-3rd grade students and staff who did not participate in the VIDOH testing on Sept. 16 that they are not allowed on campus until they have tested and produced negative COVID-19 test results.

The Gomez campus has been thoroughly sanitized using CDC-approved sanitization products.
