Early Dismissal at Claude O. Markoe Elementary On November 17

ST. CROIX, USVI – The Claude O. Markoe Elementary School is being dismissed early, effective immediately, due to a water service interruption impacting the campus. Students will revert to virtual learning for the remainder of the day.

Parents are asked to pick up their children from the school, as school-bus service will not be available.

Crews are addressing the situation.

The Department of Education will provide an update on the status of the Claude O. Markoe campus for Nov. 18.
