Assistant Principal

Tel: (340) 776-6336 • Fax: (340) 693-8136

** The office will be open from July 26th so parents can stop by to pay fees and complete required forms to avoid the first day of school rush/. They are encouraged to bring copies of immunization records and complete school bus applications if their children will be riding the bus for the upcoming year. Parents should be prepared to update contact information in PowerSchool to ensure that we are able to keep you informed throughout the school year. If their child has special needs, they must provide documentation to the school.

Finally, if there are court injunctions against any family member, we should receive copies of those as well.

We are serious about the safety and well-being of our students, so we are asking for your cooperation with these minor requests for a smooth transition into a promising 2024-25 school year.
